

Energy Herbal Tea Blend

An inspired blend of mint, lemon verbena, dittany with a hint of chamomile from the mountains of Greece. Ideal when you need a burst of pure mountain freshness to restore your energy and stamina.

Ingredients: Proprietary blend of mint, lemon verbena, chamomile and dittany.

Steeped in myth and tradition from the Minoan age (3000 BC) through classical and modern times, legend has it that Zeus rewarded the inhabitants of Crete with Dittany for saving his mother Rhea. Aphrodite, Artemis and Asclepius relied on herbs for their divine pursuits; Aristotle, Hippocrates and countless others exalted their benefits throughout ancient and modern history. Greek tradition treasures herbs such as chamomile, dittany, sage and mint for their unique soothing and healing qualities.

We created The Gift of Zeus™ with one goal in mind: to bring the goodness of wild mountain Grecian herbs to your cup. It is our promise and our mission.
